

Certificate in Ministry Leadership and Spiritual Formation

Every Christian has received a high calling to “make disciples.” The Certificate in Ministry Leadership & Spiritual Formation will prepare you to effectively lead and help others progress in their spiritual formation. Students will discover how to become highly effective leaders, and special attention will be given to spiritual formation through prayer, meditation, and personal disciplines. Whether your aim is to facilitate a small group, lead a church, start a new ministry, or simply be a better parent or mentor, the insights of Doctors Henry Cloud, John Townsend, Larry Crabb, and other instructors will provide you with a solid biblical foundation on which to exercise your gifts with wisdom, discipline, and in reliance upon the Holy Spirit.

What I most liked . . . was: (1) discussion questions which helped me summarize my grasp of main ideas, (2) the personal challenge for application to my life, and (3) Scriptures as the basis for truth taught that brought challenge and encouragement to me personally.
