

Certificate in Spiritual Direction

Do people look to you for advice or spiritual counsel? When those opportunities come up, do you sometimes feel inadequate for the task? Or do you plunge right in without really taking time to touch the person's soul? If you want to be more spiritually effective in helping others with problems in their lives, you will benefit by the teaching and practice presented in the Certificate in Spiritual Direction curriculum offered by NewWay Ministries and Dr. Larry Crabb in collaboration with Christian University GlobalNet.

I just graduated in July with a BS in Christian Counseling. But this [SoulCare] class has given me more tools than my years in college. THIS is the stuff that runs through my head when people talk to me, and when I read the Bible, and when I pray. This stuff resonates in my marrow.
