

COURSE SYLLABUS

CA210: The Miracles of Jesus

An Our Daily Bread Ministries *Day of Discovery* Study

Course Description

In the history of the world, many religious leaders making stupendous claims have come and gone. Why then has the life and message of Jesus endured as it has? The biblical answer to this is that His claims were shown to be true by supernatural acts. This verification, the words He taught and the life He lived place Him in a category distinct from all other religious leaders. This course, *The Miracles of Jesus*, considers the reasons for Jesus' miraculous life.

Course Objectives

- To introduce students to the basic fundamentals of the Christian faith
- To provide scholarly and historical evidence for the validity of Christianity
- To encourage logical thinking in evaluating the authenticity of the teachings of Jesus and of the Bible

Course Methods

Throughout this course, a number of methods will be used to engage the students in learning and processing information, interacting with other students (when possible), and applying the learning to their lives. These methods include the following:

Media/Materials

The course will include media presentations of lectures and supplementary materials to be viewed and/or read throughout the lessons of the course.

- **Video-based teaching**

If you do not have the bandwidth required to view the video, we provide the option of listening to the lesson or reading the lesson from a transcript.

- **Multisensory learning**

For students who wish to use a medium other than video, we provide the option of reading the lesson from a transcript of the teaching video (found in the Class Time section). Students can choose the medium (or combination of media) that most closely aligns with their individual learning styles.

- **Readings and other media**

Students should have a copy of the Bible available in order to read the sections of the Bible assigned in each lesson. In addition, Scripture passages are linked to online Bible tools for convenience. These online resources also provide an opportunity for students for whom English is a second language to read the Bible passages in one of numerous international translations available.

For all other required reading assignments, CUGN provides the texts for this course in a downloadable Adobe® PDF format.

Interaction

Whether sitting in a traditional classroom or studying from a distance, students benefit from interaction and collaboration with other students. In order to meet this need in distance theological education, CUGN offers structures and resources to encourage effective community interaction in this course.

Response Time

This forum fosters peer-to-peer interaction in a global, threaded discussion. Students are required to respond to relevant questions posted by the instructors; students are also encouraged to read and respond to the posts of fellow students.

Personal Reflection Journal

Students will be asked to record their thoughts in a Personal Reflection Journal. These entries can be viewed only by the student and by the site administrator, and are not graded.
