

COURSE SYLLABUS

Ten Reasons to Believe in the Resurrection

An Our Daily Bread Ministries *Day of Discovery* Study

Course Description

A case could be made that the central premise of the Christian faith is that Jesus rose from the grave. To many, it is a claim that hovers somewhere between wishful thinking and foolish faith. It seems naïve at best and preposterous at worst. But, is there good reason to believe in the resurrection? And, if so, what difference would it make? In this series of studies, we will consider the evidences of history that constitute *Ten Reasons to Believe in the Resurrection*. It is a study that could challenge conventional thinking, and offer new reason for hope.

Course Objectives

- To introduce students to the basic fundamentals of the Christian faith
- To provide scholarly and historical evidence for the validity of Christianity
