

COURSE SYLLABUS

The Book of Revelation

Course Lecturer: Dr. Steve Brown, LittD

Emeritus Professor of Preaching, Reformed Theological Seminary

Course Description

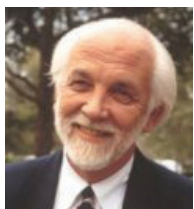

The Book of Revelation can be both exciting and confusing. It's exciting because it records dramatic visions about the role of Jesus and the church in the history of the world. But it's also confusing because its imagery is so foreign to modern readers. Even so, the overall message is clear: King Jesus is returning in victory.

Course Objectives

Upon completion of this course, you should be able to:

1. Introduce viewers to the background and primary message of the Book of Revelation.
2. Summarize the structure, content, original meaning and modern application of the Book of Revelation.
