

COURSE SYLLABUS

Genesis-Leviticus: God Builds a People for Himself

Course Lecturer: Douglas Stuart, PhD

Course Description

Genesis - Leviticus: God Builds a People for Himself tells the story of Israel's roots. From the creation of all things to the creation of Israel as a nation at Sinai, this course studies God's process of building a nation to represent Him on earth. It is the foundation for understanding the struggles and triumphs of the relationship between God and Israel that is recorded in the rest of the Old Testament books.

Course Objectives

- To introduce you to survey information of the Old Testament
- To help you develop critical and practical aptitudes in understanding the Bible
- To provide scholarly information that will help you better understand the historical and biblical context of the Old Testament
